Profile

I resigned my job of 4 years on aircraft maintenance industry to pursue a career on software development. I invested the time and what little money I had into an online iOS academy. I give everything I have to be at the forefront of innovation through software development.

Technical Skills

Swift
Cocoa Touch Framework
MVC, MVVM Design Pattern
Core Data, Realm, SQL
Networking
HTML
CSS

Experience

Assistant Cabin Technician   2016–2020
